

A&C's Showroom and Operations Update

May 4th, 2020

Operations:

Our warehouse is fully staffed and ready to go. Contact our shipping department at 610 -497-3100 or shipping@ackitchens.com to schedule a pick up or delivery. We are asking for payment by credit card in advance of deliveries/pick ups if possible. On deliveries we are only to offer curbside deliveries at this time. You will need to have people to unload and bring the product into your homes. We are also asking you to call ahead when coming to our warehouse for a pickup. This way we can have your order pulled up to the dock and expedite the process as much as possible.

Showroom:

Our showroom will be open on an appointment only basis. We will be limiting the number of appointments/people in our showroom at any given time. We are staggering our designer's days on/off to limit the number of A&C personnel in the showroom also. To set an appointment please call 610-497-3100 or email sales@ackitchens.com You can also email your salesperson directly. Below are some appointment parameters.

- Permitting customers into the showroom by appointments only.
- 2 people per appointment, No children or pets unless they are certified Service Pets.
- Masks as per state requirements are mandatory.
- Hand sanitizer will be available for use upon entry to the showroom

- Disposable gloves will be provided if you do not have your own.
- Only 4 sets of customers will be permitted at any given time. Proper Distancing will be required by all, six foot apart.

Sanitizing stations will be set up.

Cleaning of showroom, doors and restrooms will be done in accordance to CDC and State recommendations.

We are also still available to quote jobs remotely without our clients having to come to the showroom.

These measures are being put in place to protect our customers and employees.
